## Volunteer Policy

Volunteers at our school bring with them a range of skills and experience that can enhance the learning opportunities of children. We welcome and encourage volunteers from the local community. A volunteer is an unpaid adult who provides support to our school.

### **Our volunteers include:**

- Members of the governing body
- Parents of pupils
- Students on work experience
- Ex members of staff
- Local residents
- Church Members

### **The types of activities that volunteers are engaged in might include:**

- Hearing children read
- Working with small groups of children
- Undertaking arts and craft activities with children
- Supporting teachers to run after school clubs
- Working with children on the computer
- Accompanying school visits

### **Becoming a volunteer**

Anyone wishing to become a volunteer, either for a one off event or on a more regular basis should approach the office staff. All Volunteers must complete the Volunteer Agreement (Appendix 2), which sets out the school's expectations and a Volunteer Application Form, providing two referees who can be contacted. To ensure the safety of our pupils at all times, all regular volunteers will also be required to complete a DBS check and Medical. Forms can be obtained from the school office. We are unable to have any regular volunteers in school unless they have been cleared by the DBS and show their certificate in school. The number of this certificate will be recorded. If you are volunteering for your own benefit to gain experience before furthering your education/career not for the schools purpose then you will be required to pay the £54 for the DBS clearance.

### **Confidentiality**

Volunteers in school are bound by our Confidentiality Policy. All staff members, voluntary helpers and visitors should be aware that information relating to individual children or members of staff is totally confidential. Whilst in school volunteers may hear conversations which are of a confidential nature. These cover aspects such as children's academic progress, misbehaviour, or home circumstances. All information relating to individual children and staff is totally confidential and volunteers must respect this. Any concerns that volunteers have about the children they work with/ come into contact with should be shared with the class teacher and NOT with the parents of the child or any persons outside school. These comments, particularly if taken out of context can cause distress to the parents of the child if not heard directly from the school. A situation may arise in school, where the duty to the child is greater than that to the parent. If a child discloses something, this information should be shared promptly with the child's teacher or head teacher.

Volunteers who are concerned about anything another adult in the school does or says should raise the matter with the Head teacher.

### **Supervision**

All volunteers work under the supervision of the class teacher or teaching assistant to which they are assigned. Although teachers retain responsibility for children at all times, this does not require volunteers to be in their direct supervision at all times. Volunteers should feel confident to carry out the task they have been assigned and should seek further advice/ guidance from the teacher in the event of a query or problem regarding a child's behaviour or understanding of a task.

### **Health and Safety**

The school has a health and safety policy which is available on request. Class teachers should ensure that volunteers are clear about emergency procedures (e.g. fire evacuation) and about any safety aspects associated with a particular task (e.g. using cookery equipment). If a volunteer attends a school trip, their emergency contact details will be requested. Volunteers need to exercise due care and attention and report any obvious hazards or concerns to the class teacher or head teacher.

### **Complaints Procedure**

Any complaints made about a volunteer or by a volunteer will be referred to the head teacher for investigation.

The school has the right to take the following actions:

- Speak with the volunteer about a breach in the volunteer agreement
- Offer an alternative placement for a volunteer
- Inform the volunteer that they are no longer required to help in school

This policy will be reviewed annually or in the light of new guidance from either the DfE or the Local Authority.

Date: February 2017

### **OFF-SITE VISITS VOLUNTEER AGREEMENT**

School trips are an integral part of learning at our school and afford many children opportunities which are outside their usual experiences. We are pleased that you have come forward as a volunteer helper: you will have an important role to play in the success and safety of this school trip. Please read and return this appendix, and sign and return the helper's slip.

This is part of our school's risk assessment planning.

#### **Role of the Volunteer Helper**

- to be responsible and look after, in equal measure, all of the children in your group
- to stay with your allocated group of children, ensuring that their well being and safety is maintained for the total duration of the school trip
- to promote polite, respectful and courteous behaviour towards each other and members of the general public. We all go as ambassadors of our school!
- to ensure that your group keep up with the body of the school visit party, be it walking, entering or exiting from transportation or following speakers for the trip
- to contact your child's class teacher/member of staff immediately if there are issues with first aid, safety and/or behavior

#### **Working alongside school staff**

School staff expect volunteer helpers to:

- comply with all of the above whilst being under the direct line management of school staff
- show a commitment to their group, an interest in the focus of the visit and assist children in their learning by helping them to read signs/labels/information, asking questions that encourage children to think about the task and help to explain areas of interest
- follow guidance from the school staff

#### **What is not permitted**

- Volunteer helpers are not allowed to bring additional siblings on the school trip.
- Volunteer helpers are not allowed to re-organise school visit groups.
- Volunteer helpers are not allowed to smoke, drink alcohol or engage in any illegal practices.

- Volunteer helpers are not allowed to give/buy their group treats e.g., ice-creams, biscuits, sweets – before, during or after the school trip.
- Volunteers are not allowed to touch or reprimand children but should speak to a school staff member if there are any difficulties. If you need to move a child or gain a child's attention we always use their name and under no circumstances are we to come into physical contact with a child.

#### **First Aid**

For each class on the school visit, there will be at least one qualified first aider. You will be informed if any child in your group has medication/needs. If medicine needs to be administered, this will be done by a member of staff. Under no circumstances will a volunteer be asked to administer medication of any kind. All other medicines and first aid box(es) will be carried by staff.

#### **Emergencies**

You are expected to inform a member of staff as soon as possible.

If you have become separated from the rest of the school party, please telephone one of the members of staff on your contact list or telephone the school.
