

# Fell Dyke Community Primary School

## Pupil premium grant expenditure 2018-19

### School Context

Fell Dyke Community Primary School is larger than average. The vast majority of pupils come from families with high levels of deprivation. The school's deprivation indicator is significantly higher than the national average. (Sch 0.39, Nat 0.21)

The percentage of pupils entitled to Free School Meals (FSM) is higher than the national average. (Sch 31.6%, Nat 14.1%) The percentage of SEN SA+/Statemented pupils is in line with the national average. (Sch SEN Support 17.2%, Sch SEN statement/EHCP 1.9%)

The percentage of pupils who have English as an additional language is 15.9%, this is lower than the national average of 21%. 20.3% of the school population come from minority ethnic groups.

Mobility is less than the national average as some pupils join and leave other than the usual times. There is a 10% difference between the school and the national stability rate.

Data shows that the school population is changing over time, with an increasing number of children with English as an additional language attending the school.

### Objectives of Pupil Premium Spending

Pupil Premium is funding additional to the main school budget. The grant is allocated in three parts: pupil premium for pupils known to be eligible for free school meals in any of the previous six years, looked after children and those who have been looked after and families with parents in the armed forces. Schools have the freedom to spend the budget in a way they think will best support the raising of attainment for these pupils.

Our key objective in using the Pupil Premium Grant is to narrow the gap between disadvantaged children and other children.

In making provision for the Pupil Premium pupils, we recognise that not all pupils who receive free school meals will be disadvantaged. We also recognise that not all pupils who are disadvantaged are registered or qualify for free school meals.

As a school we have a good track record of ensuring that pupils make good progress, and we continue to strive to successfully bridge the gap between disadvantaged children and the other children.

In 2018 at the end of KS1 disadvantaged children attained higher than other pupils in writing and maths at the expected standard. At KS2 they attained higher in reading and maths

#### Percentage of children reaching ARE in KS1

		2015	2016	2017	2018
<b>Reading</b>	Disadvantaged	80%	63%	77%	69%
	Other	95%	69%	50%	75%
<b>Writing</b>	Disadvantaged	84%	29%	53%	46%
	Other	90%	33%	33%	42%
<b>Maths</b>	Disadvantaged	84%	50%	73%	71%
	Other	90%	62%	67%	67%

**Percentage of children reaching ARE in KS2**

		2015	2016	2017	2018
<b>Reading</b>	Disadvantaged	90%	45%	61%	81%
	Other	82%	47%	47%	56%
<b>Writing</b>	Disadvantaged	93%	86%	86%	71%
	Other	73%	87%	68%	78%
<b>Maths</b>	Disadvantaged	90%	41%	68%	74%
	Other	91%	47%	63%	56%

A significant amount of additional funding has been allocated to the school and we are determined to ensure that it has maximum impact. Careful analysis of internal and external pupil-level data, historical attainment and progress rates, and qualitative data is analysed to ensure that these funds are used to maximum effect. Our robust self-evaluation procedures guided us in deciding where and how to spend our pupil premium allocation.

We have also used existing researches and publications including those from the OFSTED Good Practice series, and findings of studies undertaken by the SUTTON TRUST to enable us to make decisions relating to provisions.

**Number of pupils and pupil premium grant (PPG) received 2018/19**

Total number of pupils on roll	311
Total number of pupils eligible for PPG including LAC	185
Amount of PPG received per pupil	£1,320
<b>Total amount of PPG received</b>	<b>£245,520</b>

**Record of PPG spending by item/project 2018/19**

Item/project	Cost	Objective	Outcome
Teaching Assistants to deliver small group intervention in reading and maths.	£73,000	To enable pupils at risk of underachieving to reach ARE and make accelerated progress	
1:1 Additional tuition from teachers	£4000	1:1 targeted support in maths for 1 hour per week during spring term	
Y6 Booster sessions (Easter Holidays)	£1000	Small group maths and SPAG session to focus on gaps in learning.
